

DEER STALKING

YOUR DEER STALKING EXPERIENCE

Come and meet Scotland's friendly sporting instructors in a relaxing atmosphere.

Stalking opportunities

Learn some of the skills required to get up close and personal with our biggest land mammals in the hills and woods. Find out which deer species you are likely to encounter in Scotland, and learn about etiquette and safety while shooting a full bore rifle.

Have a go

This is where you get to have a go at shooting at targets and learn about the gun and safety procedures on a deer stalking outing.

The Environment

In this section you will learn how deer stalking fits in to Scotland's land management and the benefits to our wildlife.

The Next Step

Now its time to have a go at the real thing, find out how and where you can book your sport and the legal situation regarding firearm certificates.

Any participants under 17 yrs old must have their own firearm certificate to participate in the practical shooting element

SHOOTING

YOUR SHOOTING EXPERIENCE

Come and meet Scotland's friendly sporting instructors in a relaxing atmosphere.

Shooting opportunities

Discover the diverse nature of the different shooting disciplines and find out about species encountered, etiquette and safety. At the same time build an understanding of the structure of each shooting outing.

Have a go
